Me Surveillance Co., LTD

Me Surveillance is a fast growing security & surveillance one stop source Manufacturer & Integrator located in Shenzhen China Since 2006, specialize in producing DIY Consumer security complete solution for home, commercial & industrial use. We hold 10,000 square meters for factory in outskirts Shenzhen and have our R&D headquarter, possessing the most advanced patent for electronic R&D technique. Back up with high quality, cost-effective, excellent service, reliable delivery, and wide selection, we aim to be the best manufacturer and integrator of CCTV products, like Intelligent Network DVRs, HD cameras, IP Cameras, Speed dome Cameras, and Smart Home Security Systems.

MES, as the representative of hi-tech enterprises, was invited to attend many global fairs, such as CES USA, IFSEC UK, IFA Germany, MIPS Russia, Intersec Dubai, Exposec Brazil, etc. With all customer-centric concepts to realize business success for all customers, MES products are sold to more than 150 countries & regions, and we set official marketing channels in 80 countries & regions to meet the requirements of over 100 million people for improving life quality. Based on centralized management system, MES provides whole set of end-to-end solutions for individual users, enterprise users and industrial users, covering Intelligent Home, Community, Traffic, Hotel, Bank, Energy, Telecom and other applicable scenes and industries.

Our goals "Creation for Intelligent Life", MES people are working constantly to improve the product quality; constantly provide innovative product, reliable quality product and competitive prices; constantly improve the quality of life for all users and have them enjoy more life pleasures. Through providing interconnection of H2H, H2T, and T2T, with open and win-win cooperation attitude, MES welcomes worldwide partners to work together to make a better world.

Vision: To be the Best provider of Consumer Security Systems.

Mission: To make security system to be simple, and can be operated easily and afforded by everyone in the world.

Values: Company responsible for Employees, Employees Serve for Customers, and Customers contribute to Company.

Team Spirit: Passionate, Responsible, Result oriented, High effectiveness, Integrity.

Principle: Make Complexity to be simple, repeat the simple things, and innovate what repeated.

DVR Kit

4/8/16-CH H.264 1080N DVR Kit
MES Model: MA4815HNS/ MA8815HNS +MS1529-P+MS1371-P

Instant Viewing
 using Windows Mobile™ 6.0
 and above touch screen
 smart phones.

■ Front

■ Back(4Ch)

■ Back(8Ch)

- ◆ With 4/8 cameras and 4/8 18.3m cables
- ◆ Night vision up to 50ft (15m)
- ◆ H.264 Compression
- ◆ Support mobile phone live view (Iphone,Blackberry,Windows mobile,Sybian,etc) & Email Alarm
- ◆ Support Live Digital Zoom, Auto Cycle monitor function
- ◆ Supports TCP/IP, DHCP, UDP, DDNS, PPPOE network Protocol
- ◆ Fluent internet transmission
- ◆ Support USB DVD backup
- ◆ Suitable for fields as supermarkets, chain stores, community security or villa
- ◆ Hi-speed backup/upgrade/record via USB2.0

DVR Kit

4/8/16-CH H.264 1080P DVR Kit

MES Model: MA4820NS/ MA8820NS +MS315C-T

- ◆ With 4/8/ pcs 2.0MP Color camera and 4/8 pcs 18.3m cables
- ◆ Night vision up to 20m
- ◆ H.264 Compression
- ◆ Support mobile phone live view
- ◆ BNC ,VGA, HDMI output
- ◆ Support Max 8TB SATA HDD,
- ◆ Fluent internet transmission
- ◆ Support Multi language: Portugue, Italiano, Spanish, French, German, Simplified/Traditional Chinese,English, Korean, Russian , Japanese, Turkish
- ◆ Support CMS/E-mail alarm
- ◆ Hi-speed backup/upgrade/record via USB2.0

4/8/16-CH H.264 4MP DVR Kit

MES Model: MA4809GS/MA8809GS+MS315C-T

- ◆ With 4/8 pcs 4MP cameras and 4/8 pcs 18.3m cables
- ◆ H.264 compression
- ◆ Support live digital zoom function
- ◆ Supports 4 channels playback simultaneously
- ◆ Support mobile phone (Iphone/ Blackberry/ Android/ Windows Mobile/ Symbian OS)and internet live view
- ◆ Support Audio, PTZ control; backup via USB2.0
- ◆ Supports Multi-Client software for DVR groups management
- ◆ Supports TCP/IP protocol groups and PPPOE, DHCP, DNS, DDNS, SMTP, etc

DVR Kit

4/8/16-CH H.264 5MP DVR Kit

MES Model: MA4821GS/MA8821GS+MS315C-T

- ◆ With 4/8/ pcs 5.0MP Color camera and 4/8 pcs 18.3m cables
- ◆ Night vision up to 20m
- ◆ H.264 Compression
- ◆ Support mobile phone live view
- ◆ BNC ,VGA, HDMI output
- ◆ Support Max 8TB SATA HDD,
- ◆ Fluent internet transmission
- ◆ Support Multi language: Portugue, Italiano, Spanish, French, German, Simplified/Traditional Chinese,English, Korean, Russian , Japanese, Turkish
- ◆ Support CMS/E-mail alarm
- ◆ Hi-speed backup/upgrade/record via USB2.0

16-CH H.264 4MP DVR Kit

MES Model: MA6822GS+MS1624-T

- ◆ With 16 pcs 4MP cameras and 16 pcs 18.3m cables
- ◆ H.264 compression
- ◆ Support live digital zoom function
- ◆ Support Max 2pcs 8TB SATA HDD,
- ◆ Support mobile phone (Iphone/ Blackberry/ Android/ Windows Mobile/ Symbian OS)and internet live view
- ◆ Support Audio, PTZ control; backup via USB2.0
- ◆ Supports Multi-Client software for DVR groups management
- ◆ Supports TCP/IP protocol groups and PPPOE, DHCP, DNS, DDNS, SMTP, etc

NVR Kit

4/8/16-CH H.264 1080P NVR Kit MES Model: MN4819F +MW1529-P

- ◆ With 4/8/ pcs 2.0MP Color camera and 4/8 pcs 18.3m RJ45 cables
- ◆ Night vision up to 20m
- ◆ H.264 Compression
- ◆ Support mobile phone live view
- ◆ VGA, HDMI output
- ◆ Support Max 8TB SATA HDD,
- ◆ Fluent internet transmission
- ◆ Support Multi language: Portuguese, Italiano, Spanish, French, German, Simplified/Traditional Chinese, English, Korean, Russian, Japanese, Turkish
- ◆ Support CMS/E-mail alarm
- ◆ Hi-speed backup/upgrade/record via USB2.0

4/8-CH H.265+ 5MP POE NVR Kit MES Model: MN8805HN+MW315C-T

- ◆ With 4/8 pcs 5MP POE cameras and 4/8 pcs 18.3m RJ45 cables
- ◆ H.265+ compression
- ◆ 48V,2.5Adapter
- ◆ Supports 2 channels 5MP playback simultaneously
- ◆ Support mobile phone (Iphone/ Blackberry/ Android/ Windows Mobile/ Symbian OS)and internet live view
- ◆ Support Audio, PTZ control; Onvif, 3G/Wifi, backup via USB2.0
- ◆ Supports Multi-Client software for DVR groups management
- ◆ Supports TCP/IP protocol groups and PPPOE, DHCP, DNS, DDNS, SMTP, etc

Wireless NVR Kit

4Ch Wireless NVR Kit MES Model: MN1004WK1

- ◆ 4 channels 720P/960P/1080P WiFi NVR with 4 WiFi HD weatherproof IR cameras kit (Plug-and-play)
- ◆ WiFi distance: 400m outdoor, 30m indoor
- ◆ 2.4G WiFi video transmission, no need for network cables
- ◆ With smart link technology, WiFi IP cameras connect to NVR automatically no setting needed
- ◆ Plug-and-play
- ◆ Professional enhanced WiFi module ensures transmission open distance up to 400m, through 3 walls distance 30m, stable and reliable
- ◆ Supports Android/iOS smart phone remote viewing
- ◆ Low illumination image sensor has good day/night vision
- ◆ WiFi IP cameras supports 4CH motion detection

4/8Ch Wireless NVR Kit MES Model: MN9904WK3/MN9908WK3

- ◆ 4 channels 720P/960P/1080P WiFi NVR with 4 WiFi HD weatherproof IR cameras kit (Plug-and-play)
- ◆ WiFi distance: 400m outdoor, 30m indoor
- ◆ 2.4G WiFi video transmission, no need for network cables
- ◆ With smart link technology, WiFi IP cameras connect to NVR automatically no setting needed
- ◆ Plug-and-play
- ◆ Professional enhanced WiFi module ensures transmission open distance up to 400m, through 3 walls distance 30m, stable and reliable
- ◆ Supports Android/iOS smart phone remote viewing
- ◆ Low illumination image sensor has good day/night vision
- ◆ WiFi IP cameras supports 4CH motion detection

4/8Ch Wireless NVR Kit**MES Model: MN9904WK8/MN9908WK8**

- ◆ 4 channels 720P/960P/1080P WiFi NVR with 4 WiFi HD weatherproof IR cameras kit (Plug-and-play)
- ◆ WiFi distance: 400m outdoor, 30m indoor
- ◆ 2.4G WiFi video transmission, no need for network cables
- ◆ With smart link technology, WiFi IP cameras connect to NVR automatically no setting needed
- ◆ Plug-and-play
- ◆ Professional enhanced WiFi module ensures transmission open distance up to 400m, through 3 walls distance 30m, stable and reliable
- ◆ Supports Android/iOS smart phone remote viewing
- ◆ Low illumination image sensor has good day/night vision
- ◆ WiFi IP cameras supports 4CH motion detection

**10.5" LCD/4&8Ch DVR Combo****MES Model: MN3104WK5**

- ◆ 1.0MP/1.3MP/2.0MP Low illumination CMOS sensor
- ◆ 720P/960P/1080P Resolution, Clear and exquisite image
- ◆ ICR automatically switch to achieve day and night monitoring
- ◆ Automatic electronic shutter, to adapt to different monitoring environment
- ◆ Infrared distance: 3 high-power infrared light 20 meters to 30 meters
- ◆ IP65 waterproof design
- ◆ Support digital WDR, 3D noise reduction
- ◆ H.264 video compression technology, high quality, low bit rate
- ◆ Support mobile remote monitoring (iOS, Android)
- ◆ Multiple browser access (IE, Chrome, Firefox, Safari)
- ◆ Support information overlay (such as: ID, IP, DDNS information, etc.)
- ◆ Supporting WEB, CMS, VMS, cloud services
- ◆ Supports connection with HVR / NVR and support standard Onvif protocol
- ◆ Support IEEE802.11b / g / n transmission, dual antenna, 2.4GHz band, transmission 150Mbps
- ◆ Screen Size: 10.5";
- ◆ HDD Supported: 2.5" * 1pcs

**4-CH H.264 2MP POE NVR****MES Model: MN4815FN**

- ◆ 4 Channel Mini POE 1080P NVR
- ◆ H.264 compression
- ◆ Supports 1 channels 2MP playback
- ◆ Support mobile phone (Iphone/ Blackberry/ Android/ Windows Mobile/ Symbian OS)and internet live view
- ◆ Support Audio, PTZ control; Onvif, 3G/Wifi, backup via USB2.0
- ◆ Supports Multi-Client software for DVR groups management
- ◆ Supports TCP/IP protocol groups and PPPOE, DHCP, DNS, DDNS, SMTP, et

**4/8-CH H.265+ 5MP POE NVR****MES Model: MN8805HN**

- ◆ 4/8 Channel H.265+ POE 4K/5MP NVR
- ◆ H.265+ compression
- ◆ Supports 2 Ch 5MP or 1Ch 4K playback
- ◆ Support mobile phone (Iphone/ Blackberry/ Android/ Windows Mobile/ Symbian OS)and internet live view
- ◆ Support Audio, PTZ control; Onvif, 3G/Wifi, backup via USB2.0
- ◆ Supports Multi-Client software for DVR groups management
- ◆ Supports TCP/IP protocol groups and PPPOE, DHCP, DNS, DDNS, SMTP, etc

**16/24/32/64-CH H.265+ 5MP NVR****MES Model: MN2824H/MN3822G/MN6824F**

- ◆ 16/24/32/64 Channel H.265+ 5MP NVR
- ◆ H.265+ compression
- ◆ Supports 4 Ch 5MP or 8Ch 3MP playback
- ◆ Support mobile phone (Iphone/ Blackberry/ Android/ Windows Mobile/ Symbian OS)and internet live view
- ◆ Support Audio, PTZ control; Onvif, 3G/Wifi, backup via USB2.0

Cameras

Dome Camera**MES Model: MS1371-P**

- ⊙ 2.5" Plastic IR dome camera
- ⊙ Resolution: 1MP/1.3MP/2MP/3MP/4MP/5MP

- ⊙ Metal IR dome camera
- ⊙ Resolution: 1MP/1.3MP/2MP/3MP/4MP/5MP
- ⊙ LED Night: 24pcs Φ 5 LEDs
- ⊙ Night vision up to 20-25m
- ⊙ Plugs into any DVR, TV or Monitor
- ⊙ Ideal for monitoring entrances, car parks, school, hotel, factory, hospital, shops, warehouse, home & office

**Vandal-Proof Dome Camera****MES Model: MS1393-T**

- ⊙ Metal IR dome camera
- ⊙ Resolution: 1MP/1.3MP/2MP/3MP/4MP/5MP
- ⊙ LED Night: 30pcs Φ 5 LEDs
- ⊙ Night vision up to 30-35m
- ⊙ Vari-focus Len: 2.8-12mm
- ⊙ Ideal for monitoring entrances, car parks, school, hotel, factory, hospital, shops, warehouse, home & office

Cameras

Water-Proof IR Camera**MES Model: MS1529-P**

- ⊙ Plastic IR Bullet camera
- ⊙ Resolution: 1MP/1.3MP/2MP/3MP/4MP/5MP
- ⊙ Night vision up to 25-30M
- ⊙ Fixed Len: 3.6/6.0mm
- ⊙ Ideal for monitoring entrances, car parks, school, hotel, factory, hospital, shops, warehouse, home & office

**Water-Proof IR Camera****MES Model: MS315C-T**

- ⊙ Metal IR Bullet camera
- ⊙ Resolution: 1MP/1.3MP/2MP/3MP/4MP/5MP
- ⊙ Night vision up to 25-30M
- ⊙ Fixed Len: 3.6/6.0mm
- ⊙ Ideal for monitoring entrances, car parks, school, hotel, factory, hospital, shops, warehouse, home & office

**Water-Proof IR Camera****MES Model: MS1522-T**

- ⊙ Metal IR Bullet camera
- ⊙ Resolution: 1MP/1.3MP/2MP/3MP/4MP/5MP
- ⊙ LED Night: 36pcs Φ 5 LEDs
- ⊙ Night vision up to 30-40M
- ⊙ Fixed Len: 3.6/6.0mm
- ⊙ Ideal for monitoring entrances, car parks, school, hotel, factory, hospital, shops, warehouse, home & office

**Water-Proof IR Camera****MES Model: MS1706-T**

- ⊙ Metal IR Bullet camera
- ⊙ Resolution: 1MP/1.3MP/2MP/3MP/4MP/5MP
- ⊙ LED Night: 42pcs Φ 5 LEDs
- ⊙ Night vision up to 40-50M
- ⊙ Vari-focus Len: 2.8-12mm
- ⊙ Ideal for monitoring entrances, car parks, school, hotel, factory, hospital, shops, warehouse, home & office

Cameras

Water-Proof IR Camera MES Model: MS1473-T

- ⊙ Metal IR Bullet camera
- ⊙ Resolution: 1MP/1.3MP/2MP/3MP/4MP/5MP
- ⊙ LED Night: 42pcs ϕ 5 LEDs
- ⊙ Night vision up to 40-50M
- ⊙ Vari-focus Len: 2.8-12mm
- ⊙ Ideal for monitoring entrances, car parks, school, hotel, factory, hospital, shops, warehouse, home & office

Water-Proof IR Camera MES Model: MS1909H

- ⊙ Metal IR Bullet camera
- ⊙ Resolution: 1MP/1.3MP/2MP/3MP/4MP/5MP
- ⊙ LED Night: 72pcs ϕ 5 LEDs
- ⊙ Night vision up to 60-70M
- ⊙ Vari-focus Len: 2.8-12mm
- ⊙ Ideal for monitoring entrances, car parks, school, hotel, factory, hospital, shops, warehouse, home & office

LED Array Camera MES Model: MS1912H

- ⊙ Metal IR Bullet camera
- ⊙ Resolution: 1MP/1.3MP/2MP/3MP/4MP/5MP
- ⊙ LED Night: 2pcs Array IR LEDs
- ⊙ Night vision up to 50-60M
- ⊙ Len: 6.0/8.0mm
- ⊙ Ideal for monitoring entrances, car parks, school, hotel, factory, hospital, shops, warehouse, home & office

LED Array Camera MES Model: MS1914H

- ⊙ Metal IR Bullet camera
- ⊙ Resolution: 1MP/1.3MP/2MP/3MP/4MP/5MP
- ⊙ LED Night: 4pcs Array IR LEDs
- ⊙ Night vision up to 60-70M
- ⊙ Len: 3.6/6.0/8.0mm
- ⊙ Ideal for monitoring entrances, car parks, school, hotel, factory, hospital, shops, warehouse, home & office

Network IP Camera Professional Solution & Product Provider

Dome IP Camera MES Model: MW1351-T

- ⊙ 2.5" Metal IR dome IP camera
- ⊙ Resolution: 1.3MP/2MP/3MP/4MP/5MP
- ⊙ Auto white balance (AWB)
- ⊙ Night vision up to 20-25m
- ⊙ Plugs into any DVR, TV or Monitor

- ⊙ Ideal for monitoring entrances, car parks, school, hotel, factory, hospital, shops, warehouse, home & office

Indoor 3X/5X PTZ Dome Camera MES Model: MW042HD

- ⊙ 3X/5X Zoom Varifocus Len, 2.7mm~13.5mm
- ⊙ 2MP/5MP Resolution
- ⊙ 2pcs LEDs with over 15m Night vision
- ⊙ Support Onvif2.4, P2P function
- ⊙ Pan/Tilt/Zoom, A-B scan, tour available
- ⊙ Audio, POE optional
- ⊙ 220 Preset positions for random storage and accurate locating
- ⊙ 3 tour groups, 16 preset positions can be included in each tour group
- ⊙ Support Left & Right scan and 355° scan function
- ⊙ Compatible with HIKVISION ,DAHUA, XM NVR, Milestone, NUUO and AXON platform
- ⊙ Support round-the-clock (24hours per day) monitoring, IR Auto Switch at night.
- ⊙ Automatic Iris, Focus and White Balance

Outdoor PTZ Bullet Camera MES Model: MWX345HT

- ⊙ 5X/10X Zoom Varifocus Len, 5.1mm~51mm,
- ⊙ 2MP/4MP/5MP Resolution
- ⊙ 4pcs LEDs and 2pcs Laser LEDs with over 100m Night vision
- ⊙ Support Onvif2.4, P2P function
- ⊙ Pan/Tilt/Zoom, A-B scan, tour available
- ⊙ Audio, POE optional
- ⊙ 220 Preset positions for random storage and accurate locating
- ⊙ 3 tour groups, 16 preset positions can be included in each tour group
- ⊙ Support Left & Right scan and 220° scan function
- ⊙ Compatible with HIKVISION ,DAHUA, XM NVR, Milestone, NUUO and AXON platform
- ⊙ Support round-the-clock (24hours per day) monitoring, IR Auto Switch at night.
- ⊙ Automatic Iris, Focus and White Balance

4.5Inch Indoor PTZ Speed Dome Camera MES Model: MW1001S

- ⊙ 10X Zoom, 2MP Resolution
- ⊙ 2pcs LEDs with over 30m Night vision
- ⊙ Support Onvif2.4, P2P function
- ⊙ Pan/Tilt/Zoom, A-B scan, tour available
- ⊙ 220 Preset positions for random storage and accurate locating
- ⊙ 3 tour groups, 16 preset positions can be included in each tour group
- ⊙ Support Left & Right scan and 360° scan function
- ⊙ Compatible with HIKVISION ,DAHUA, XM NVR, Milestone, NUUO and AXON platform
- ⊙ Support round-the-clock (24hours per day) monitoring, IR Auto Switch at night.
- ⊙ Automatic Iris, Focus and White Balance

4.5Inch Outdoor PTZ Speed Dome Camera MES Model: MW1805IS

- ⊙ 18X/36X Zoom, 2MP/5MP Resolution
- ⊙ 6pcs LEDs with over 80m Night vision
- ⊙ Support Onvif2.4, P2P function
- ⊙ Pan/Tilt/Zoom, A-B scan, tour available
- ⊙ 220 Preset positions for random storage and accurate locating
- ⊙ 3 tour groups, 16 preset positions can be included in each tour group
- ⊙ Support Left & Right scan and 360° scan function
- ⊙ Compatible with HIKVISION ,DAHUA, XM NVR, Milestone, NUUO and AXON platform
- ⊙ Support round-the-clock (24hours per day) monitoring, IR Auto Switch at night.
- ⊙ Automatic Iris, Focus and White Balance

4.5Inch Outdoor PTZ Speed Dome Camera MES Model: MW1008OS

- ⊙ 10X Zoom, 2MP/4MP Resolution
- ⊙ 6pcs LEDs with over 50m Night vision
- ⊙ Support Onvif2.4, P2P function
- ⊙ Pan/Tilt/Zoom, A-B scan, tour available
- ⊙ 220 Preset positions for random storage and accurate locating
- ⊙ 3 tour groups, 16 preset positions can be included in each tour group

- ⊙ Support round-the-clock (24hours per day) monitoring, IR Auto Switch at night.
- ⊙ Automatic Iris, Focus and White Balance

10Inch Outdoor PTZ High Speed Dome Camera MES Model: MW1811OS

- ⊙ 18X/36X Zoom, 5MP/2MP Resolution
- ⊙ 12pcs LEDs and 4pcs Laser LEDs with over 300m Night vision
- ⊙ Support Onvif2.4, P2P function
- ⊙ Pan/Tilt/Zoom, A-B scan, tour available
- ⊙ 220 Preset positions for random storage and accurate locating
- ⊙ 3 tour groups, 16 preset positions can be included in each tour group
- ⊙ Support Left & Right scan and 360° scan function
- ⊙ Compatible with HIKVISION ,DAHUA, XM NVR, Milestone, NUUO and AXON platform
- ⊙ Support round-the-clock (24hours per day) monitoring, IR Auto Switch at night.
- ⊙ Automatic Iris, Focus and White Balance

Human Body Tracking Robot Camera MES Model: MW1090BT

- ⊙ HD Resolution 720P/1080P
- ⊙ Professional imaging ISP, low illumination technology
- ⊙ Smart H.264 encoding format, ultra-low byte rate
- ⊙ High-performance computing platform, visual intelligence analysis
- ⊙ Amazon Cloud Storage Service
- ⊙ Two-way audio hi-fi voice
- ⊙ Videos can be shared anytime and anywhere
- ⊙ P2P, Easy to use, simple and quick to operate, voice instruction
- ⊙ Return to the preset once finished tracking automatically

Wireless PTZ IP Camera MES Model: MW3089-T

- ⊙ HD PTZ wireless Wi-Fi IP camera, 720P/960P/1080P
- ⊙ IR distance: 11 LED lights 10 meters to 20 meters
- ⊙ Supports digital wide dynamic, 3D noise reduction function
- ⊙ H.265 video compression technology, high quality, low bit rate
- ⊙ Supports mobile remote monitoring (iOS, Android)
- ⊙ Multi-browser access (IE, Chrome, Firefox, Safari)
- ⊙ Supports information overlay (such as: ID, IP, DDNS information)
- ⊙ Supports WEB, CMS, VMS, cloud services
- ⊙ Supports connection with HVR/NVR, supports standard ONVIF protocol

Wireless PTZ IP Camera MES Model: MW1086-T

- ⊙ HD PTZ wireless Wi-Fi IP camera, 720P/960P/1080P
- ⊙ HD lens 3.6mm at F1.8
- ⊙ IR-cut, monitor day and night
- ⊙ Automatic electronic shutter, adapts to different monitoring environment
- ⊙ IR distance: 11 LED lights 10 meters to 20 meters
- ⊙ Supports digital wide dynamic, 3D noise reduction function
- ⊙ H.264 video compression technology, high quality, low bit rate
- ⊙ Supports mobile remote monitoring (iOS, Android)
- ⊙ Multi-browser access (IE, Chrome, Firefox, Safari)
- ⊙ Supports information overlay (such as: ID, IP, DDNS information)
- ⊙ Supports WEB, CMS, VMS, cloud services
- ⊙ Supports connection with HVR/NVR, supports standard ONVIF protocol

360° Panoramic Wireless Bullet IP Camera MES Model: MW3033MV

- ⊙ HD Panoramic wireless Wi-Fi IP camera, 720P/960P/1080P
- ⊙ IR distance: 3 LED lights 10 meters to 20 meters
- ⊙ Supports digital wide dynamic, 3D noise reduction function
- ⊙ H.265 video compression technology, high quality, low bit rate
- ⊙ Supports mobile remote monitoring (iOS, Android)
- ⊙ Multi-browser access (IE, Chrome, Firefox, Safari)
- ⊙ Supports information overlay (such as: ID, IP, DDNS information)
- ⊙ Supports WEB, CMS, VMS, cloud services
- ⊙ Supports connection with HVR/NVR, supports standard ONVIF protocol

360° Panoramic Wireless Bullet IP Camera MES Model: MF3611MV

- ⊙ HD Panoramic wireless Wi-Fi IP camera, 720P/960P/1080P
- ⊙ IR distance: 3 LED lights 10 meters to 20 meters
- ⊙ Supports digital wide dynamic, 3D noise reduction function
- ⊙ H.265 video compression technology, high quality, low bit rate
- ⊙ Supports mobile remote monitoring (iOS, Android)
- ⊙ Multi-browser access (IE, Chrome, Firefox, Safari)
- ⊙ Supports information overlay (such as: ID, IP, DDNS information)
- ⊙ Supports WEB, CMS, VMS, cloud services
- ⊙ Supports connection with HVR/NVR, supports standard ONVIF protocol

Wireless Card IP Camera MES Model: MF1802AV

- ⊙ HD Panoramic wireless Wi-Fi IP camera, 720P
- ⊙ IR distance: 3 LED lights 10 meters to 20 meters
- ⊙ Supports digital wide dynamic, 3D noise reduction function
- ⊙ H.264 video compression technology, high quality, low bit rate
- ⊙ Supports mobile remote monitoring (iOS, Android)
- ⊙ Built-in microphone and speakers, two-way audio
- ⊙ P2P remote view

360° Panoramic Light Bulb IP Camera MES Model: MF1602BI/MF3602BI

- ⊙ 360-degree panoramic
- ⊙ 960p/2/3/5MP optional
- ⊙ Panoramic fisheye lens
- ⊙ Supports max 128GB TF card
- ⊙ Built-in microphone and speakers, two-way audio
- ⊙ Supports motion detection SMTP FTP alarm
- ⊙ H.264+ compression, saves 40% storage
- ⊙ Smart Wi-Fi auto connection
- ⊙ P2P remote view

360° Panoramic Wireless IP Camera MES Model: MF2601AV

- ⊙ H.265 video compression
- ⊙ 720P/960p/1080P optional
- ⊙ Panoramic fisheye lens, Electronic PTZ
- ⊙ Supports max 64GB TF card
- ⊙ Built-in microphone and speakers, two-way audio
- ⊙ Supports motion detection SMTP FTP alarm
- ⊙ Supports IEEE 802.11b/g Wi-Fi
- ⊙ Supports p2p, plug-and-play, free DDNS setting
- ⊙ Supports iPhone, Android remote view

360° Panoramic Wireless IP Camera MES Model: MF2606GV

- ⊙ H.264 video compression
- ⊙ 720P/960p/1080P optional
- ⊙ Panoramic fisheye lens, Electronic PTZ
- ⊙ Supports max 64GB TF card
- ⊙ Built-in microphone and speakers, two-way audio
- ⊙ Supports motion detection SMTP FTP alarm
- ⊙ Supports IEEE 802.11b/g Wi-Fi
- ⊙ Supports p2p, plug-and-play, free DDNS setting
- ⊙ Supports iPhone, Android remote view

**4/8 Channel Mobile DVR Kit
MES Model: MM1104A-GTK**

- ⊙ 4/8 channel HD Car SD card Mobile DVR Kit
- ⊙ 720P AHD million HD real-time storage
- ⊙ SD card slot design, each card slot maximum support 128G, large capacity storage, long video
- ⊙ Patent damping technology, the maximum protection of data
- ⊙ 8-36V wide voltage design, suitable for a variety of vehicles, support low automatic shutdown
- ⊙ Exclusive private appearance, unique market, increase product competitiveness

**4/8 Channel Mobile DVR Kit
MES Model: MM1104CK**

- ⊙ 4/8 channel HD Car SD card Mobile DVR Kit
- ⊙ 720P AHD million HD real-time storage
- ⊙ SD card slot design, each card slot maximum support 128G, large capacity storage, long video
- ⊙ Patent damping technology, the maximum protection of data
- ⊙ 8-36V wide voltage design, suitable for a variety of vehicles, support low automatic shutdown
- ⊙ Exclusive private appearance, unique market, increase product competitiveness

**2 Channel 3G/4G GPS Wifi Mobile DVR Camera
MES Model: MF2807WG**

- ⊙ Industrial grade design, IP54
- ⊙ Support 2 channels camera, built-in camera for front view, IPC is external camera which for back view/wide view inside
- ⊙ Mini 2 channel 1080P 3G/4G GPS WIFI Mobile DVR.
- ⊙ H.265 compression code adopt Hisilicon high performance processor
- ⊙ Support Bluetooth (as optional), can be intercom voice talking at center
- ⊙ Support 3G/4G/WIFI multiple network optional
- ⊙ Built-in group communication function
- ⊙ Rich CMS function, including remote live view in real time, playback, download, broadcasting, talk
- ⊙ Support various transmission quality options
- ⊙ Support two SD cards, each up to 256GB
- ⊙ Support to connect with equipment with mobile phone through Wi-Fi
- ⊙ Support to set parameters via mobile phone
- ⊙ Support WIFI, Bluetooth and mobile network automatic switch.
- ⊙ 8-36V wide voltage
- ⊙ Support Center Management Software platform (CMS)
- ⊙ Support iPad, iPhone, Android and PC to remote view in real time.

Welcome to MES Factory Tour, Start a virtual field tour to check:

- How we manufacture the products;
- How we assure the stated quality standards from the very beginning;
- how we take advantage of the cutting edge facilities,
- the truly ISO9001:2000 compliant production process.

Components are fed into the pick and place SMT machines from tape-like reels.

Surface mounting in progress is monitored by computerized control screen.

Convection Ovens for PCB (with mountable components placed on)

Wave Soldering Machines resolder the PCB after the process of insertion.

QC inspection and repair if find NG soldering

Final PCBA visual inspection

Assembly lines for Cameras

Aging Test Room

Warehouse and materials

Materials management
